May, 2010

Upcoming Events for Summer 2010:

May 19-21: Iowa Association of Municipal Utilities (IAMU) Overhead Electric Transmission & Distribution Workshop.

Join Truck Equipment in Ankeny at the IAMU Training & Office Complex on these dates and get hands-on training with real equipment needed to complete the job.

Sortimo Transit Connect: Your Perfect Solution

Truck Equipment is now carrying Sortimo van shelving. Sortimo is a German company that produces high quality van shelving. Built to fit every vehicle perfectly, Sortimo and Globelyst provide the perfect solution to storage issues. Whether you own a Ford, Toyota, or Nissan, Sortimo is able to fulfill every space need. Turn your van into a small, mobile workshop with ease with Sortimo's innovative storage spaces. Sortimo is also helpful with not only providing solutions for individuals, but also offers trade solutions. Whether you own a construction business or a catering business, Sortimo has exactly what you are looking for. Look below for a brief overview of Sortimo and the products they can offer you.

Sortimo Products

History of Sortimo

Sortimo was founded in 1973 in Augsburg, Germany. Since this point, some name changes have taken place and employees have been added. Sortimo is now an international business; more products have been invented in order to provide customers with the newest and perfect solution for their vehicles.

Products

The products listed below are just a few examples of what Sortimo is able to offer you and your business. Look [here](#) to read more about their products.

Globelyst: Globelyst will leave you with a quality product; it is lightweight, versatile, safe, and cost effective.

Cases and Boxes: Sortimo has a variety of organizational boxes and cases for your storage needs.

Wall Cladding: Wall cladding from Sortimo allows you to work inside of your vehicle and has a professional look to it. It is easy to install and chemically resistant.

Trade Solutions

Whether you are an electrician, caterer, or carpenter Sortimo has the right products for your business. Finding the perfect combination of products from Sortimo is key in making your vehicle perfect.

Vehicle Solutions

Whether you own a Ford or a Honda, Sortimo has the perfect products for your vehicle. Ask Truck Equipment for the options that best suits your vehicle.

Knapheide Tool Box Prices Now More Competitive

Knapheide has lowered the prices on their tool box models and we think that's exciting! Check out some of the features of the tool boxes below and find out why you should get your Knapheide tool box today at Truck Equipment.

Features

- ✦ Stainless steel "paddle-activated" latch stays closed.
- ✦ Door seal protects against dust, dirt, and other harmful environmental factors.
- ✦ Exclusive stainless steel hinge is corrosion resistant and adds strength for better security.
- ✦ Multiple coats of gray primer chemically linked and oven cured for protection against corrosion.
- ✦ Automotive grade, high gloss top coat.
- ✦ Heavy duty door chains.
- ✦ Rigid doors that will keep their shape.

Bonus Features

- ▶ Adjustable "security ring" provides strength and increases the life of the tool box.
- ▶ 14 Ga. two-sided A40 galvalneal roll formed construction for strength and durability.
- ▶ 20 Ga. doors, double wall construction for strength without adding weight.
